CHANGE IN HOMEWORK!!!!

You will notice that our homework calendar looks new this week. In addition to have an individualized list of sight words, your child also now has spelling pattern words to practice. Your child should work on memorizing the sight words but not the pattern words. At the end of the week, your child will take a test which will still include his/her sight words and will also have spelling pattern words that he/she has never seen before. The idea behind the spelling pattern is not to memorize a word or even a particular rule, but to notice how words work and apply this to both reading and writing. Please let me know if you have any questions!

Reminders to Students:

- Get your PBIS sheet signed every night
- Reading Logs and Reflections are to be done on the night they are assigned.
- Get to bed early!
